WIKI-SKILLS – WP2

Conceptual framework development
User needs and training opportunities

Mario Barajas – Frédérique Frossard
University of Barcelona

Wiki-Skills Kick-off meeting – Barcelona, January 23-24, 2012

WP2 - OVERVIEW

- Start: M1 (01/01/2012)
- Ends: M6 (30/06/2012)
- Aim:
  - To set the pedagogical concept for building WIKI-SKILLS learning experiences
  - To reveal the last trends of wiki sites approaches to collaborative and participative working process (Activity theory, Progressive Inquiry, Possibility thinking)
- WP leader: UB

WP2 - TASKS

- T2.1: European state of the art report (leader HEIG-VD)
  - Desktop research: study the potential of wikis in different learning settings / LLP sub programmes
- T2.2: User needs analysis (leader Wikimedia.se)
  - Introductory workshops by each partner
- T2.3: Definition of the pedagogical framework (leader UB)
  - Based on D2.1 and D2.2, develop an overall pedagogical framework for enhancing collaborative learning through wikis
  - Define a set of training needs and requirements, and a number of suggestions for the training development (WP3)

- WP2 will also study the integration of ECVET certifications for the project within the partners who target those groups.

WP2 – ORGANIZATION OF WORKSHOPS

	Comenius	Erasmus	Leonardo	Grundtvig
P1 (Ynternet.org)			✓	
P2 (DieBerater)				✓
P3 (EA)	✓			
P4 (UB)	✓			
P5 (MAC-Team)		✓		
P6 (HEIG-VD)		✓		
P7 (CESGA)				✓
P8 (Wikimedia.se)			✓	

WP2 – ROLES PER PARTNER

- **P1 - Ynternet.org**
  - Organisation of focus group on user needs related to Leonardo da Vinci
  - Contribution to T2.1 and T2.3 with their local expertise
- **P2 – DieBerater**
  - Organisation of focus group on user needs related to Grundtvig
  - Contribution to T2.1 and T2.3 with their local expertise
- **P3 - EA**
  - Organisation of focus group on user needs related to Comenius
  - Contribution to T2.1 and T2.3 with their local expertise
- **P4 – UB**
  - WP Leader
  - Coordination of T2.3
  - Contribution to T2.1
  - Organisation of focus group on user needs related to Comenius

WP2 – ROLES PER PARTNER

- **P5 – MAC-Team**
  - Organisation of focus group on user needs related to Erasmus
  - Contribution to T2.1 and T2.3 with their local expertise
- **P6 – HEIG-VD**
  - Leader of T2.1
  - Organisation of focus group on user needs related to Erasmus
  - Contribution to T2.3 with their local expertise
- **P7 – CESGA**
  - Organisation of focus group on user needs related to Grundtvig
  - Contribution to T2.1 and T2.3 with their local expertise
- **P8 – Wikimedia.se**
  - Task Leader of T2.2 - Organisation of the focus groups in all countries
  - Provide templates for data collection
  - Organisation of focus group on the user needs related to Leonardo da Vinci
  - Contribution to T2.1 and T2.3 with their local expertise

WP2 – WORK ORGANIZATION

D2.1 – European State of the Art Report (leader HEIG-VD)

- **Deadline:** 31/03/2012
- **Proposed structure:**
  - Litterature review on the educational use of wikis for each subprogramme, pedagogical underpinning (activity theory, possibility thinking, collaborative learning), etc.
  - Existing services and tools (Wikipedia, Wikiversity, etc.)
  - Good practices, based on partners' previous experience
  - Could be completed with a national survey with educational practitioners who use wiki
  - List of success factors for using wikis in educational contexts

WP2 – WORK ORGANIZATION

D2.2 – User Needs Analysis (Leader Wikimedia.se)

- Deadline: 28/04/2012
- Design of guidelines for the focus groups organization (procedures, instruments, reporting template)
- Ideas for the focus groups organization:
  - Presentation of Wiki-Skills project (objective, timeline, etc.)
  - Introduction to wiki tools
  - Presentation of examples of wiki-based learning scenarios (by partner + by participants)
  - Discussion session
  - Exercise: teamwork imagining wiki-based learning scenarios
  - Definition of needs: what training / support do teachers need ?
  - Debriefing and closing: summary and next steps of the project
- Each partner will write a report on their focus group, including the elicited needs
- The deliverable will consist of a compilation and synthesis of these reports

WP2 – WORK ORGANIZATION

D2.3 – Definition of the Pedagogical Framework (Leader UB)

- **Deadline:** 30/06/2012
- **Proposed structure:**
  - Synthesis of the outcomes of D2.1
  - Synthesis of the user needs, according to D2.2
  - Definition of the pedagogical framework, i.e. which methodology we will employ according to the user training needs and requirements?
  - Recommendations and suggestions for WP3

Thanks for you attention.
